Dear Meadow Point Families -

The Cherry Creek Schools Foundation sponsors the Wendy DeBell Exceptional Volunteer of the Year award. This award recognizes volunteers of the Cherry Creek School District for their dedication to our faculty, students and community.

I am proud and honored to announce Mike Sinclair has been selected as Meadow Point's Volunteer of the Year. Mike spends countless hours supporting teachers, programs and activities at Meadow Point.

In other news, I would like to invite all parents to attend our Accountability/PTO meeting on March 17 starting at 5:30 in the Media Center. We will be talking about our revitalization project that begins soon. I will be going over the architect's plans, the construction timeline and our new color design.

We are very excited about this revitalization project. Your "Yes on 3A and 3B" are the reasons why Meadow Point is targeted for \$2.9 million dollars worth of building improvements. Our school will feel fresh and the educational environment will even be more accessible for students, teachers, and parents.

Childcare will be provided during the meeting. Children can play board games, make crafts or watch a movie. We also will provide a light dinner; we like to call this meeting a "working dinner." I promise the meeting will end no later than 7:00pm.

Thank you –

John Cramer

Scholastic Book Fair

Thank you to everyone who supported the Meadow Point Book Fair. It was a huge success and the profits of \$1080 will be used to purchase new books for the school library. We would like to thank the parents and students that bought books for their teachers to be donated to the classroom.

Thank you, Mitty Spidell.

Read Across America Night

The Read Across America Night has been rescheduled to April 12th. We will be sending details about this event home with your student. Please mark this date on your calendar.
