Meadow Point Elementary School

Apr. 9, 2010

Dear Parents,

Spring has officially started and that means that warmer days are coming our way. The warm weather always brings a change in students dress for school. The way a person dresses says a lot about where they are going and the activity that they are going to do. If you are going for a job interview or to church, dressing up is very appropriate and if you are going to the park, shorts and tee shirt are good choices. When we think about school, it's a place where we want children to be comfortable and dress as if it were their place of work. We would like to ask you to help us monitor the selection of clothes worn to school by your children. Please use the following guidelines to determine what your children should or should not wear to school.

- Children can wear shorts to school, but they must be long enough to come to mid-thigh.
- Halter tops, spaghetti straps are not allowed.
- Students who wear T-shirts with inappropriate messages that distract from learning will be asked to call home for a change of clothes.
- Open toe or flip-flop shoes can be a problem on the playground as well as in physical education classes. Please encourage children to wear shoes that they can play in. Convertible roller shoes (tennis shoes with wheels that go up for walking, or down for skating) are not allowed at school.
- Children (either boys or girls) are not permitted to wear caps or hats in the building.

As you know the weather in Colorado can change on a dime. We strongly recommend that you have your child keep a jacket in their backpack for those cool days.

Thank you for all of your support.

Moving

In the month of May we start planning for next year’s classes. This information is very helpful to us as we plan for next year.**
